[¶1.](#) (S) PolMilOff raised the points in Ref A regarding Indian firms Aron Hurley Koncepts and KG Global's possible transfer of sensitive equipment to Iran in a July 8 meeting with MEA Under Secretary, Disarmament and International Security (DISA), Nutan Kapoor. PolMilOff also gave Kapoor a non-paper about the cases.

[¶2.](#) (S) Kapoor noted that the UK High Commission had already contacted the GOI about the Aron Hurley Koncepts case. She stated that the GOI would provide a response to the USG non-paper.

[¶3.](#) (S) Regarding KG Global, she appreciated the additional information about the nature of the transaction, but referred to the GOI response on KG Global during the visit of A/S Rademaker on June 16, stating that the GOI has decided to hold a hearing on the firm's activities, but the GOI had previously determined that the specific transaction questioned by the US did not, in fact, happen (Ref B).
